A new business has opened in Lancaster offering visitors a fresh way to see the city: by Segway.

The \$65 tours run five days a week, three times a day, May through October; twice a day, five days a week in March, April, November and December; and by appointment only during January and February, according to the company's Web site.

Riders receive an orientation on Segway use and safety prior to the tours and are required to wear a helmet, the company said.

Earlier this month, a York County couple [began](#) Segway tours of the [Hotel Hershey](#) in Derry Township, Dauphin County.
